

**GROWING GOD'S KINGDOM ONE GIFT AT A TIME -- 2019
ST. MICHAEL'S ANNUAL SCHOLARSHIP FUNDRAISER
RENK THEOLOGICAL COLLEGE
May 5 – May 31**

Good News! St. Michael's kicks off its annual campaign in support of Renk Theological College with a commitment from an anonymous donor, who again, as last year, will match donations up to \$20,000. Gratitude abounds!

More Good News! Renk Theological College is growing! It is now the Center for Peace and Reconciliation Studies, and seminarians have increased from 32 to 45 since last year.

What This Means: Now, more than ever, the students need scholarship support. The annual scholarship per student is \$1,200. In 2019, the goal is a scholarship for each seminarian AND an increase in donors.

Your support is vital in preparing graduating seminarians for the Great Commission "to go out into the world and make disciples of all nations", Mt. 28:19, changing lives, taking God's message of love, hope, peace, justice, and dignity to the people of South Sudan.

Enclosed is a donation card with optional ways to give. Your donation is magnified... going a long way to support the growth of God's Kingdom One Gift at a Time. Together!
